Subject: 2017 DTLA Survey - Previous Zip Code

Shane,

Just wanted to give you a quick heads up.

So far we have about 300 responses to the survey from DTLA residents. About 70% of those residents indicated that the zip code of their previous residence was in or around LA County – essentially a zip code between 90001 and 91899.

I will give you a full accounting when we are done, but I would be surprised if the final number is all that different.

Let me know if you have any questions.

Cheers,

Elan Shore
